SPONSOR & EXHIBITOR PROSPECTUS

THREE SHOWS IN ONE

Are you a prepaid or wireless services provider seeking the best B2B event to showcase your solutions and grow your business?

ALL WIRELESS & PREPAID EXPO

Where Wireless & Prepaid Meet

Since 2008, **All Wireless & Prepaid Expo** has been the premier event for prepaid wireless and value-added services. When it comes to prepaid wireless – from MVNO hosting partners and back-end technology, to top up and retail distribution, no other event brings more prepaid providers together under one roof.

AWPE currently serves all companies in the wireless space, and includes more players than ever from diverse industry sectors, including accessories, repair, technology, insurance, financing, software and more.

On the retail front, AWPE 2023 brought in more retailers than ever, with 62% of our attendees being wireless dealers, repair shops and electronics retailers.

As of today, **All Wireless & Prepaid Expo** is the largest and most inclusive event for companies in wireless telecommunications, showcasing products and services across all segments and distribution channels.

Today, all wireless retailers need to learn about repair. Over the last five years, according to “Cell Phone Repair in the US Industry Market Research Report,” the cell phone repair industry has grown exponentially, as smartphone and tablet usage have increased. Due to the high prices for today’s smartphones and devices, more people are opting to fix, rather than replace. If you aren’t offering repair services, this event, sponsored by Wireless Dealer & Repair Magazine, will get you on track, connecting you to companies in all facets of device repair.

What is the common thread between all things wireless? Mobile accessories! Whether prepaid, postpaid, new or refurbished, consumers are on an endless hunt for the newest add-ons for their devices. According to Future Market Insights’ recent report, “Mobile Phone Accessories Market By Product Type,” the mobile phone accessories market was valued at US \$86.6 Billion in 2021. The market is likely to grow at a CAGR of 6.7% through 2031, reaching US \$166 Billion. The US continues to hold 78% of total sales in North America.

As a wireless provider, it is vital for you to offer the newest, trendiest and most desired accessories the industry has to offer. The Wireless Accessories Expo, located on the floor of All Wireless & Prepaid Expo, brings these innovations to you - one room, hundreds of revenue-generating opportunities. Don’t miss your chance to boost your business with the latest and greatest mobile accessories on the market today.

THE AWPE VIP RETAILER PROGRAM

With 100+ exhibitors and thousands of attendees in the wireless space, and more prepaid providers than any other industry event, All Wireless & Prepaid Expo is the best place for a wireless retailer to find new products, meet new partners, and learn about new technologies.

Wireless and electronics retailers may qualify for a complimentary VIP Retailer Pass, giving them free access to the Exhibit Hall and Conference Sessions. Now in its fifth year, this very successful program attracts the retailers you need to grow your business and expand your retail footprint.

EXHIBITING AT ALL WIRELESS & PREPAID EXPO

When it comes to marketing prepaid and wireless services at the consumer level, attendees need to know what you have to offer, and why you are the right company for them. All Wireless & Prepaid Expo bridges all sectors of the wireless industry, and all players within each sector.

Don't miss your opportunity to reach key prospects you will not reach at any other event!

■ EXHIBIT

In addition to being the most focused industry event for prepaid and wireless services, some benefits of exhibiting include:

- Network with customers across all wireless distribution channels
- Conduct face-to-face business with new prospects
- Reach prospects you cannot reach via any other medium
- Discounted rates for early sign ups
- Free admission to high level conference sessions
- Virtual booth on allwirelessexpo.com through February 2025
- Media and PR campaigns across all industry sectors
- Social media marketing via Facebook, Twitter, LinkedIn and Instagram
- Print and online advertising in various consumer publications

■ SPONSOR

As a sponsor, your company will be highlighted from the onset of show marketing, all the way through February 2025. No other event provides sponsors with as much exposure, across so many mediums, ensuring that potential attendees know exactly who you are before the show. On site, your company's logo will appear on every marketing piece, and all show signage related to your sponsorship. The Show Guide will also include your company's ad, a benefit only available to sponsors.

Let us tailor a sponsorship just for you. Your company will receive all of the benefits of exhibiting, plus:

- Increase your exposure before All Wireless & Prepaid Expo
- Get more attention on site, from the moment attendees check in until the show ends
- Remind attendees about your company after the event via emails & All Wireless & Prepaid Expo website

■ LEARN

Now in its sixteenth successful year, All Wireless & Prepaid Expo offers the industry's most informative and affordable conference program for prepaid and services. A full day of expert sessions, as well as intimate training tracks, will teach you how to expand your scope, and your revenue. Our conference is created specifically to provide the unique information you need to grow your business in today's competitive wireless marketplace. As an exhibitor, you and your team will have free access to all conference sessions.

■ NETWORK

The exhibit hall floor of All Wireless & Prepaid Expo facilitates the convergence of ideas, products, and opportunities within the wireless space. A true sales-driven floor, with a large and diverse attendee group, you will find this show to be unlike any event you have attended.

REACH NEW PROSPECTS

Through a wide variety of marketing media, All Wireless & Prepaid Expo reaches the buyers you seek, attracting them to participate and learn about your company and its offerings.

- High visibility advertising in leading trade publications, spanning all sectors of wireless and prepaid services
- E-mail blasts to the All Wireless & Prepaid Expo subscriber list, in addition to those of other publications
- Direct mail to a qualified audience
- Regional advertising to promote event and exhibitors
- PR dissemination via Business Wire, announcing exhibitors, sponsors, speakers, and events as they unfold
- Marketing exposure via social networking sites, Facebook, Twitter, LinkedIn and Instagram
